

Summer Research

Karina Bercan

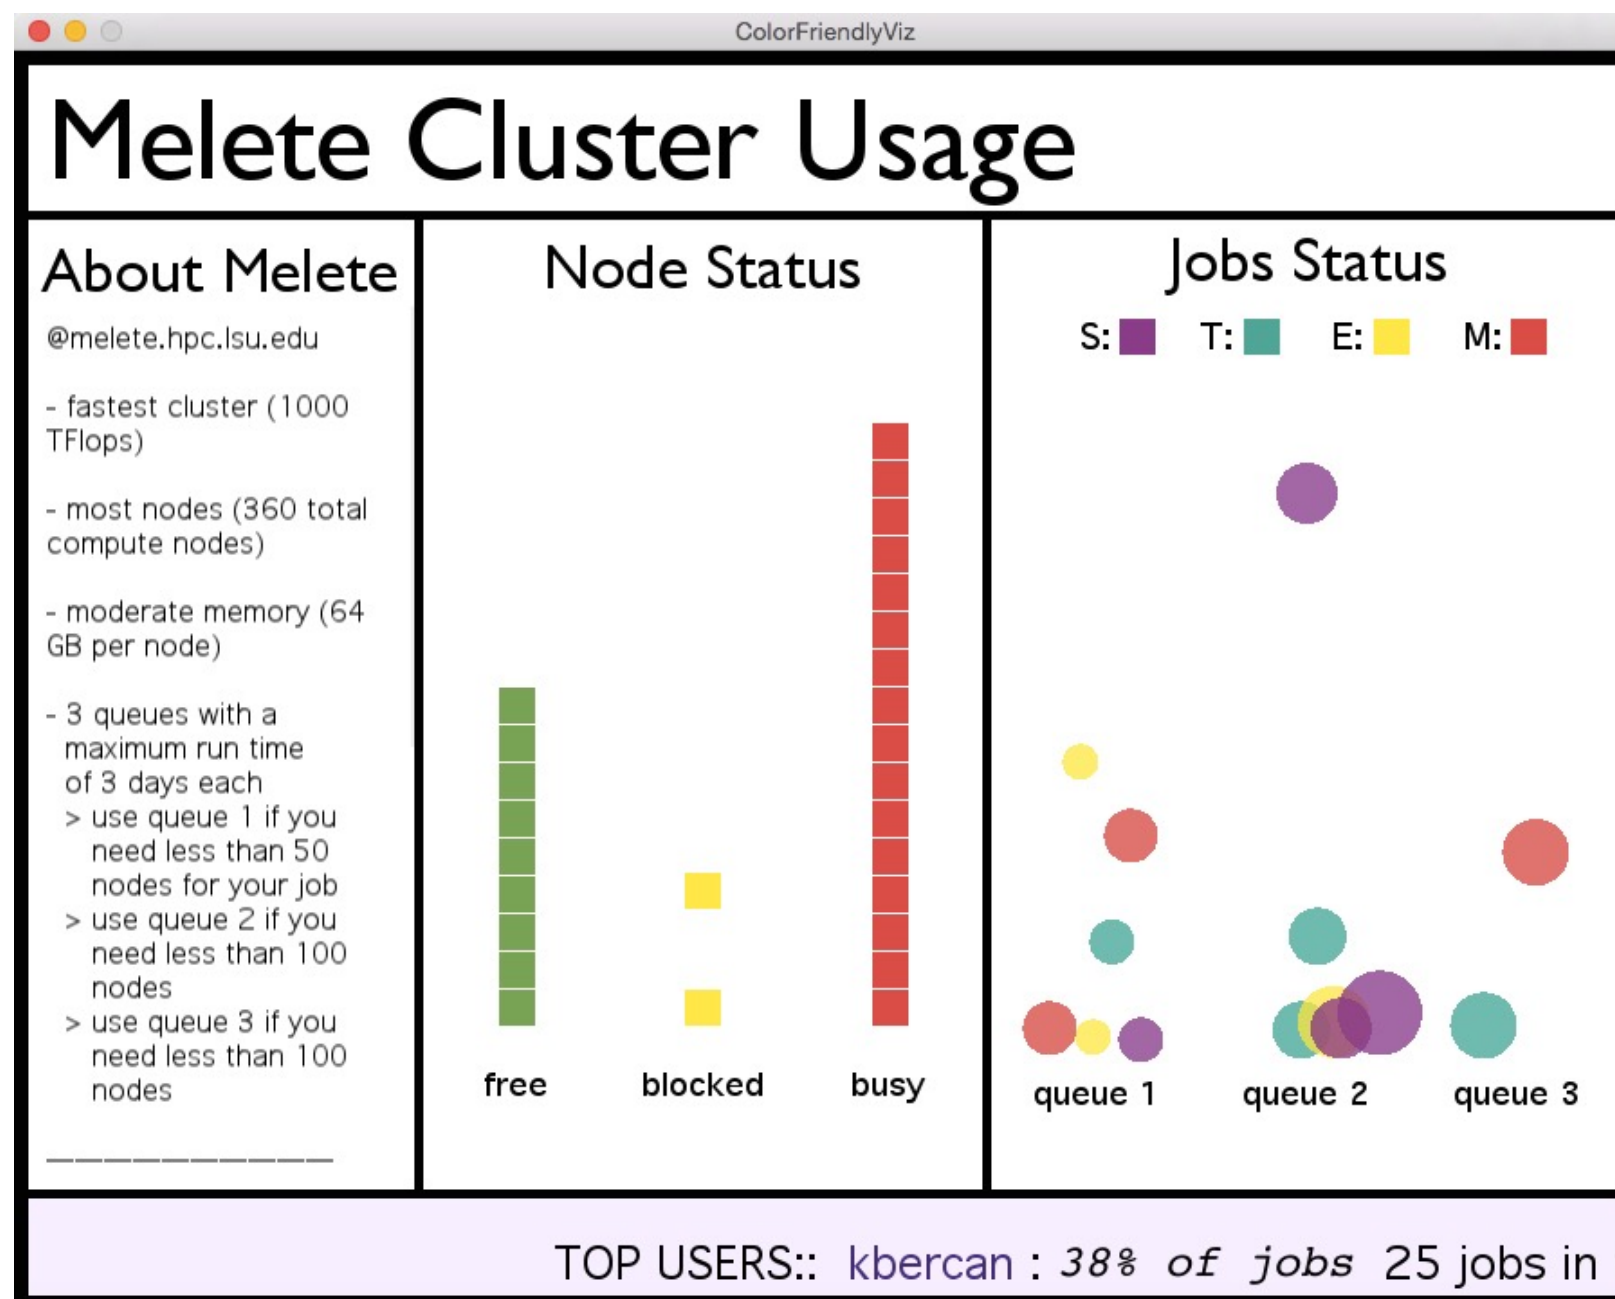

The Problem

HPC applications and environments can be complex and difficult for a non-computer scientist to understand.

Source: <http://www.hpc.lsu.edu/>

The Project

Challenges

- HPC concepts
- CS terminology
- Kivy

Sampson
@jonathansampson

`git commit -m "Fixed interface issues."`

Source: <https://twitter.com/jonathansampson/status/619980210314739712>

Future Plans

- Further research
- Industry experience
- Graduate school

Acknowledgments

- Chris Branton
- Brygg Ullmer
- Alexandre Siqueira
- Sarah Baldwin
- Jesse Hobson
- Tom Kaiser
